### About This Content

#### Creatures A-Z, Volume 9

Straight out of the SRD, Monster Grin is pleased to present our latest token pack, which contains 132 awesomely illustrated creature images from Fat Goblin Games! That's right, we've partnered with one of the best known providers of creature art out there to bring that same art as tokens to your game and we're working our way through the SRD alphabet from A-Z! This pack contains the following creatures: Aasimar, Aboleth, Achaierai, Allip, Animated Anmor, and Ankheg!

Utilize Monster Grin's Token Halo System to create different types of teams (red, gold, silver, green, black or blue), or even different levels of the same kind of creature (i.e. boss, high, medium, or low level) to help keep track of what's what and who's who and keep your game rockin'! Also, with Monster Grin's new Altered States tokens, you can get maximum value from each and every token in this pack and really add that special something to your game!

- Aasimar
